Hello

How does the lottery work?

Hello! ☺️

If you would like to book a reservation, you'll first need to join the active lottery, or if you want a reservation at a later date, you can join an upcoming lottery waitlist!

That's dumb

Why can't I just book a reservation?

I'm sorry for the trouble!

Before the lottery, we had a huge influx of people booking at max capacity as soon as registration opened and then canceling last minute

This system helps us moderate mischievous activity so everyone can have an enjoyable camping experience ☺️
